

	Exemplary (4)	Proficient (3)	Progressing (2)	Beginner (1)	Points
Organization	<ul style="list-style-type: none"> Student uses the space of the display board effectively. 	<ul style="list-style-type: none"> Student uses the space of the display board somewhat effectively. 	<ul style="list-style-type: none"> Student uses the space of the display board ineffectively. 	<ul style="list-style-type: none"> No attempt was made to use the space of the display board effectively. 	_____/4
Readability and Neatness	<ul style="list-style-type: none"> Design includes all necessary components and every component is readable, display is visually appealing and correct grammar, spelling, and punctuation are used. 	<ul style="list-style-type: none"> Design is missing 0-1 of the necessary components and is readable, relatively neat, and organized, but may have a few areas in need of improvement. 	<ul style="list-style-type: none"> Design is missing 2-4 of the necessary components and may have parts that are unreadable or disorganized. 	<ul style="list-style-type: none"> Design of the display board is nonexistent or may be unreadable, sloppy, and/or disorganized. Design is missing at least 5 major components. 	_____/4
Information and Development	<ul style="list-style-type: none"> The display board has all information detailing all steps in the function and creation of the invention. A listing of multiple relevant and scientific/engineering principles are displayed. 	<ul style="list-style-type: none"> The display board demonstrates how the invention works and was developed. At least one relevant scientific/engineering principle is mentioned. 	<ul style="list-style-type: none"> The display board offers little information demonstrating how the invention works or was developed. A relevant scientific/engineering principle is mentioned. 	<ul style="list-style-type: none"> The display board fails to demonstrate how the invention works or was developed. No scientific/engineering principles are mentioned. 	_____/4
The Inventor(s)	<ul style="list-style-type: none"> Thorough information about the inventor(s) is displayed, including images showing inventor(s) building or testing, and information on how the inventor(s) got inspired, brainstormed, and collaborated. 	<ul style="list-style-type: none"> Fairly detailed information about the inventor(s) is displayed, such as images showing inventor(s) building or testing. 	<ul style="list-style-type: none"> Basic information about the inventor(s) is displayed. 	<ul style="list-style-type: none"> Little or no information about the inventor(s) is displayed. 	_____/4
